

- **ATTRACTS AND KILLS MORE FEMALE FLIES**
- **Advanced Bait Formula Contains TRICOLURE™ Sex Attractant and Feeding Adjuvants**
- **Attracts and Kills House Flies, Plus Many Other Fly Species Listed on This Label**
- **Attracts Both Sexes of Flies to the Bait**
- **Kills Quickly**

ACTIVE INGREDIENTS:

Methomyl [S-Methyl N-[(methylwbamoyl) oxy]
thioacetimidate] 1.000%
Z-9 Tricosene 0.025%

INERT INGREDIENTS: 98.975%

Keep Out of Reach Of Children
CAUTION
 See back panel for additional cautions

NET WT. 11.34 kg (25 LBS.)

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing dust. Avoid contact with skin, eyes or clothing. Do not contaminate water, feed or foodstuffs by use, storage or disposal. Do not apply where poultry, animals, pets or children can contact bait. Do not use in homes or where milk is processed or stored. Do not feed treated garbage. Do not use in serving areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

STATEMENT OF PRACTICAL TREATMENT

IF INGESTED: Drink 1 or 2 glasses of water and induce vomiting by touch@ tie back of throat with finger. Do not induce vomiting or give any thing by mouth to an unconscious person. Call a physician immediately.

IF ON SKIN: Remove contaminated clothing and wash affected areas with soap and tier. Wash contaminated clothing before reuse.

IF IN EYES: Flush with plenty of water, call a physical immediately.

NOTE TO PHYSICIAN: MethomyI is a cholinesterase inhibitor. Atropine is antidotal. Administer intravenously or or intramuscularly if IV injection is not possible.

ENVIRONMENTAL HAZARDS

Exposed surfaces treated with this bait are hazardous to birds and other wildlife. Do not apply directly to water. Do not apply where runoff is likely to occur. Do not contaminate water when disposing of equipment washwaters.

Musca-Cide is an advanced formula bait containing Tricolure sex attractant and feeding adjuvants which attract both sexes of the house fly and many other pest fly species including Little house flies, flesh flies, blow flies, bazaar flies (*Musca sorbens*) and eye gnats directly to the bait

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

NOTE: This product may not be used (as either a scatter bait or in a bait station) around or inside homes or any other places where children are likely to be present. Residential use of this product is prohibited.

For use as a Scatter Bait: Use of Musca-Cide Bait as a scatter bait is limited to certain commercial agricultural areas where child and pets are not likely to be present. Use only around the outside of feed lots, dairies, broiler houses, hog houses, livestock barns, meat and poultry pro-cessing establishments, beverage plants, canneries and food processing establishments. Bait may be used on walkways in caged layer houses

Bait should be applied to specified areas of high fly population daily or as needed to reduce fry populations. Scatter bait from container, or other device at the rate of approximately 4 ounces per square feet fly feeding surface. Do not allow food producing animals to have access to treated areas.

For Use in the Musca-Cide Bait Station: For other commercial (non-residential) use sites not specified above, Musca-Cide must be used in a bait station. Fill bait chamber to bottom of hopper by pouring 2 ounces of bait into, hopper. Use at the rate of approximately 2 bait stations per 500 square feet of feeding area. Bait stations must be inaccessible to children and food producing animals. Hang bait stations out of reach of food producing animals at a height of at least 4 feet above the ground.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in a cool dry place inaccessible to children and pets.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous.

Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Do not reuse container. Rinse thoroughly before discarding in trash.
